AN APOLOGY.

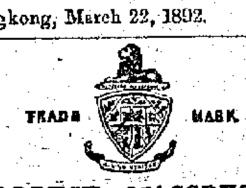

Hongkong, April 14, 1892.

THE PROSECUTION OF THE - OPIUM FARMER.

T BEG to express through your columns . my deep regret that I should in a hasty moment, in consequence of my not being able to read or understand Chinese accounts, have commenced a prosecution against Mr. KOH CHENG SEAN, the chief manager of the late Opium Farm, with reference to the funds of the CHEANG TEK KONG SEF, A complete investigation into the matter and a careful examination of the books and accounts have thoroughly convinced me that my suspicious were wholly groundless, and that there has been nothing whatever in Mr. KOH CHENG SEAN'S manof the business of the OPIUM FARM that is in any way reprehensible; and further, that he has all along been doing his best, honestly and faithfully, for the benefit of the CHEANG TEK KONG SEE.

I should be obliged if you would insert this letter in your correspondence column once, and afterwards as an advertisement for the period of one month, as I am anxious to undo us far as possible any in-663 jury I may have, through my hasty and unjustifiable action, inflicted upon Mr. KOH OHENG SEAN.

Yours truly. OH TEK LEONG. Hongkong, March 22, 1892.

SHOOTING AFFAIR ON S.S.

MEMNON. A report has come to hand regarding a fracas on board the steamer Memnon at Sandakan last week, which resulted in being shot by the chief officer, Mr Keane. Memnon was loadi g the harbour at Sandakan. Having finished loading at the after-hatch the men employed there commenced to wash the decks. After they had cleaned the fore part of the ship, some of the officer told them to go amidship. They to be informed us to what Mr Ladds was refused to do so, and the chief officer throw friends below and the whole of the wished to know how many times such and a view to reconstruct the Company, appears Chinese firemen-thirteen in all-came. up from below and commenced to abuse him in English and Chinese, one man Seeing from the attitude the men took up that it would be unsafe to attempt to arrest the man who had made himself specially offensive, Mr Keane went to his cabin for his revolver, came back and walked into the crowd of men, and getting hold of the man's arm told him to go ait quietly or he would shoot ordered them back three times, warning the captain or officers of held, to give expression to the opinion brought before them by the foreign Conthem that if they persisted in their the ship in not reporting the case. efforts to rescue his prisoner he would fire amongst them. His caution was disregarded and observing one man stoop down to pick up an iron bar the chief officer fired at him. The bullet passed through the fleshy part of the man's leg so that he was not seriously | wounded. Still the men kept up their Mr Wodehouse held an inquiry into the aggressive attitude, and Mr Keane fired fire which occurred in the upper floor of a two more shots, one of which wounded a the Ko Shing Teatre, occupied by Kom man in the neck at d back. At last the men | Hop Ting. were beaten back, and on Captain Branch returning on board almost immediately afterwards he procured a medical officer dangerous. hurriedly compiled, and some of it was the Egyptian rebol, but speaks well of his dono while you were travelling. It is not general appearance, though he thinks Arabi unlikely that other ideas may have occurred looks far from well. His visit, however, offered a large sum of money for an expedition into parts of Africa hitherto unby one of her countrymen. What do you Madam, will you tell me why low dresses. explored, the expedition to be conducted and corners that can be gone into; but all the leading features of the country, the highlands and the chief waters, have now

been discovered and noted, so such an expedition would not lead to much. ABOUT BARTTSLOT AND JAMESON.

In the mortality returns for the weeks He did not owe min any money.

Associate oak and given spur, may by my like the mortality returns for the weeks He did not owe min any money.

Associate oak and given spur, may by my like the special secretary are exhausted, the last being the blank 155,000. Of these, 30,000 were killed on print with his brother's journal in the way worthy Chairman; the graceful Secretary are exhausted, the last being the blank for like the concubine's room. accidents or spicide, and 20,000 & German the expedition, you would have jotted enough to bring the number up to the perhaps, you would have been very sore given aggregate The sick and wounded about at the time, but, if you had sat down amounted to 477,421, the lives of many afterwards to tell the public in a book what thousands of whom were doubtless shorten your experiences were, you would most ed by their illness or injuries. According probably have struck out all those parts, to Dr Roth, a German authority, the Ger- thinking that they were petty and of no mans lost during the war 60,000 men killed interest to your readers, that is just what bearing the signature Mauticus, which make one or rendered invalid, and, \$600,000,000 in the friends of Barttelot and Jameson paeddonym, states the journal, make one manor the heing the arrange of expendit money, this being the excess of expendi-should have done, and then we should not \$1,250,000,000 paid by France by way of and nothing would have come out about indemnity. Dr Engel, snother German these matters; for otherwise we should not

statistician, gives the following as the have told.

untouched. There were no other policy of the apprehension of an offender, and the room, and if there had been before the fire the Inspector thought their framework abould have been found.

Yes Sam Tim, fortune-teller, corroboration as a numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous that it is like that the ingresses in the number of children have been so numerous the number of the numerous that it is like the versels.

There better the best the were rought, cost volume the number of I formulate the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and notice the passivity of his countenance until the number of must be remembered, are verman, and the number of must be remembered. The number of must be remembered, and the number of must be remembered, and the number of must be remembered. The number of must be remembered, and the number of must be remembered, and the number of must be remembered. The number of must be remembered and numbered and numbered are verman and the number of must be remembered. The number of must be remembered and numbered and numbere lives. There were 250,000 killed he was going off to sleep, and more than mortally wounded during the Russia-Turkey War, and 45.033 each Bonny, if you don't wake up and keep in the Italian War of 1859, and the those eyes of your's open, you will walk straight into the mouth of a hippopotamus; war between Prussia and Austria. In the but he has simply looked up for a minute other wars the loss of life was relatively less, which did not make either the men and then gone on in the same way. The or money easier to part with in the more mobility of his countenance was never limited areas where they occurred. And this disturbed. I have tested him for his is but a part of the accounting, since it does bravery, too, and he came out there all right, and from what I could see of him he not include the millions expended during The personnel of our Navy, says the writer, the last twenty years in maintaining the is a good epecimen of a rugged solid vostarmaments of the European Powers, the astrough beneath its task in time of war. losses cansed by stoppego of commerce and story of the rear-guard, and he should be We do not educate any Reserve, and a manufactures, and the continual derange asked to relate it straight off. A shorthand

him the other side of the picture, it would have been different; but here he had no one but his native boy Tom. Yes, Ward is right. Jameson was mild-mannered and gentle, and, as Ward liked him, so did we, and Bouny, for his story, went down a good bit in our estimation. But we were testing him all the time. We allowed months to go by and never referred to the subject of the rear guard and its doings at all, but thou we would enddenly broach it, and each time the story was the same; never a date nor a circumstance sitered, and at last Nelson exclaimed: I am compelled to think this man spoke the truth, for he acoma to have a remarkable memory, and . have tried him in all ways to see if he is lying; but he never varies, not even in a And then when the native stories came in, filling in the parts that were doubtful in the other story, what were we to do? But what we heard would never have come out had it not been for the action that Jameson's and Burttelot's friends saw

AN EXPLANATION OF A LETTER. And now, concerning Major Barttelot, I successful one, said Mr Stanley in reply to see from Ward's book that he trod on

> was it done. It was a great wonder he was not left behind at Yambuya, too, and, if he had been, I am afraid he and Barttelot would not have got on very well toadvance column.

And Jephson—you know he was a Ceylon here?-He was such another, and always in the front. A plucky man was Jephson. For ten days he marched on and on
